Mr. John R. Burke  
Deputy Assistant Secretary  
Classification/Declassification Center  
Bureau of Administration  
Department of State  
Room 2811, New State  
Washington, D.C. 20520

Dear Mr. Burke:

In accordance with a recent telephone conversation with Mr. Larry Pickering, I am sending you a listing of National Intelligence Survey (NIS) Sections which we have reviewed for declassification under the provisions of E.O. 12065 and which we are recommending for declassification. These NIS Sections were originally prepared by, or under the supervision of the Department of State, and for this reason require your concurrence for the recommended action. As you will note, some of the Sections listed are less than twenty years old, which is a result of having reviewed the entire collection of NIS series. We would also like to point out that this list supplants all listings previously furnished to you.

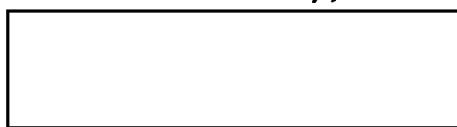

In view of the likelihood that some of these NIS Sections are no longer available at the Department of State, we would like to make the following suggestions:

a. After reviewing the Sections which are available to you, you may determine that it would be possible to prepare a set of guidelines for use by this office to complete the review, or you might be able to determine what action should be taken on the remaining Sections.

b. Copies of those Sections not available at the Department of State could be made available for your reviewers at the Ames Building in Rosslyn.

Other alternatives may become apparent as the review progresses. Please be assured that we will do our utmost to accommodate the method you choose since we are anxious to complete the declassification action on the NIS series to the extent possible.

Sincerely,

STAT

Chief, Classification Review Division  
Office of Information Services  
Directorate of Administration
